The ideal location to discover beautiful natural landscapes of the Apulian and to easily reach the most famous destinations in the Adriatic sea, Croatia, Montenegro and the beautiful Greek Islands.

CALA PONTE MARINA

Cala Ponte Marina is the new "Marina Resort", located immediately outside Polignano a Mare, well-known as the "Pearl of the Adriatic". A modern port, open all year, ideally located to enjoy the numerous and fascinating landscapes offered by Apulia, a marvelous land. The Marina is designed according to the highest standards of comfort and quality to offer excellence in service, security and an unforgettable yachting experience. Cala Ponte Marina is the result of the synergy of expertise between the Cala

Ponte SpA, holder of the public concession, promoter and scorer of the initiative, and Camper & Nicholson's Marinas Ltd, a worldwide leading company in the design and management of marinas. The partnership between the two companies will allow Cala Ponte Marina to be included in the prestigious network of marinas branded "Camper & Nicholson's". The new Marina is a part of a large project that includes also the construction of a Hotel and retail mall.
